CPC31320 CERTIFICATE III IN WALL AND FLOOR TILING

This qualification provides a trade outcome in wall and floor tiling for residential and commercial construction work. The qualification has core unit of competency requirements that cover common skills for the construction industry, as well as the specialist field of work, wall and floor tiling. Tilers work with materials like ceramic, glass, slate, marble and clay. They cut these materials and lay tiles on walls and floors, both interior and exterior. They may also add decorative touches to their basic work.

Occupational titles may include:

- Tiler
- Wall and Floor tiler.

State and territory jurisdictions may have different licensing, legislative, regulatory or certification requirements. Relevant state and territory regulatory authorities should be consulted to confirm those requirements

This qualification is suitable for an Australian apprenticeship pathway.

Completion of the general construction induction training program, specified in the Safe Work Australia model Code of Practice.

COURSE ENTRY REQUIREMENTS:

There is no pre-requisites or specific entry requirement for this qualification. This course is available to all international students and Northwest Pty Ltd. requires that students are able to provide evidence that they:

- Have demonstrated an IELTS level at score of least 5.5 or equivalent (test results must be no more than 2 years old) or demonstration of successful completion of at least General English at Upper Intermediate or English for Academic Purposes Upper Intermediate level.
- Have a suitable level of language, literacy and numeracy to complete course requirements with or without additional support that Northwest Pty Ltd. is able to provide.
- Must be a proficient user of advanced calculators.
- Have successfully completed Australian year 12 or equivalent or must be of matured age with adequate LLN skills.
- Are at least at age of 18 on the date of course commencement.

Please Note: It is highly recommended that student must have successfully completed 'CPCCWHS1001 Prepare to work safely in the construction industry', prior commencing this course.

All the students commencing this course are required to complete LLN test on the orientation day to assist Northwest Pty Ltd. to identify student's needs for additional support during their study with Northwest Pty Ltd.

COVID-19 VARIATION TO DELIVERY AND ASSESSMENT STRATEGY

ADDITIONAL ENTRY REQUIREMENTS:

- Student must have access to working PC or laptop with a configuration suitable to meet study requirements. Please seek your trainer/assessor assistance in this regard.
- Student must have access to working internet.
- Student must be able to attend scheduled theory classes and classes to be conducted in simulated environment (if schedule during Covid-19 is varied from original schedule).
- Where classroom visit is required to conduct the assessments in the compliant way and in accordance with Standard 1.8 of SRTO 2015, Nortwest Pty Ltd. would not be allowing more than 4 learners (or one group, whichever is less) in the class ensuring 4 sqm social distancing is maintained.

During COVID-19 (coronavirus) outbreak, Nortwest Pty Ltd. will use a flexible delivery mode for training and assessment, providing training package requirements allow for this. We would ensure that all regulatory requirements are met with as little disruptions possible. As circumstances change and restrictions are eased, these temporary arrangements will be reviewed, and enrolled students will be notified accordingly. Nortwest Pty Ltd. aims to review any changes in circumstances before commencement of each term so that it has least possible impact on students and course delivery.

Students must complete their practicals in the Nortwest Pty Ltd.'s CPC facilities (nominated warehouse) or as advised otherwise.

Nortwest Pty Ltd. will seek student's consent of online delivery and assessment (where possible) prior to their enrolment during this Covid-19 outbreak.

We are fully committed to remain transparent on the mode of delivery, resources available to students, methods of assessment and how assessment in simulated environment will be managed.

We ensure that:

- *Students are treated fairly and reasonably.*
- *Any adjustments to courses are transparent and communicated clearly to students.*
- *All adjustments to course delivery, the process for informing and seeking students' consent, and information relevant to individual students is documented and retained.*

ORIENTATION:

New student Orientation will be done via phone, e-mail and zoom. New students will receive an e-mail and call from the Admissions department on the Friday, prior to their date of commencement with all necessary further information and instructions. If you have any questions regarding this process, please contact +61 451 915 609 or applynow@nortwest.edu.au. Please email or call the student administration should you require any additional support.

CLASSES:

During Covid-19, Nortwest Pty Ltd. will transition to an online learning environment, this means there will be no face to classes running, unless required to be in simulated environment specifically in class; or covid-19 restrictions are eased and/or state government allow to return to full onsite learning. If any student require assistance with their online learning environment, student will notify their trainer and assessor where trainer/assessor will provide them with further guidance.

ONLINE OPTIONS:

The online learning environment will be supported by a range of resources that will vary between units but may consist of learning summaries, video recordings or YouTube videos, and extra documents to aid student's learning. All training staff will be available online at scheduled class times to guide and support the student through their studies. The online learning environment will be available through using Zoom.

ASSESSMENT:

Assessment tasks will vary for each unit of competency, but some of these may be moved online. Some assessment tasks may also be delayed or deferred to a later date pending the situation with COVID-19. The trainers are required to communicate with students for unit specific information. The best way to do this is through Zoom or through email.

SUPPORT:

All staff at Northwest Pty Ltd. will continue to work and will continue to provide the students with the support any individual may need. The student will be remained connected with each trainer/assessor through regular class participation to assist them continuing their studies. Northwest Pty Ltd. will also provide online academic and language support and student support staff are always here to help.

PATHWAYS

Once students have successfully completed CPC31320 Certificate III in Wall and Floor Tiling, they can apply for various roles across management positions that have supervisory performance accountabilities.

The further study pathways available to students who undertake this qualification include:

- *CPC40120 Certificate IV in Building and Construction (Building),*
- *CPC50220 Diploma of Building and Construction (Building), or*
- *Range of Certificate IV or Diploma level qualifications with the CPC Training Package.*

COURSE STRUCTURE:

A total of 20 Units (17 Core and 3 electives) must be completed and deemed competent to achieve the qualification CPC31320 Certificate III in Wall and Floor Tiling. Participants who achieve competency in any unit/s will receive a Statement of Attainment (provided USI is verified) for that unit/s without completing all 20 units in the qualification. Students completing all the required units of competency will attain full qualification.

CODE	TITLE	CORE/ELECTIVE
CPCCCM2006	Apply basic levelling procedures	Core
CPCCOM1012	Work effectively and sustainably in the construction industry	Core
CPCCOM1013	Plan and organise work	Core
CPCCOM1014	Conduct workplace communication	Core
CPCCOM1015	Carry out measurements and calculations	Core
CPCCOM2001*	Read and interpret plans and specifications	Core
CPCCWF2001*	Read and interpret plans and specifications	Core
CPCCWF2002*	Handle wall and floor tiling materials	Core
CPCCWF3001*	Use wall and floor tiling tools and equipment	Core
CPCCWF3002*	Prepare surfaces for tiling application	Core
CPCCWF3003*	Install floor tiles	Core
CPCCWF3004*	Install wall tiles	Core
CPCCWF3004*	Repair wall and floor tiling	Core
CPCCWF3005*	Install decorative tiling	Core
CPCCWF3006*	Install mosaic tiling	Core
