CPC31320 CERTIFICATE III IN WALL AND FLOOR TILING

This qualification provides a trade outcome in wall and floor tiling for residential and commercial construction work. The qualification has core unit of competency requirements that cover common skills for the construction industry, as well as the specialist field of work, wall and floor tiling. Tilers work with materials like ceramic, glass, slate, marble and clay. They cut these materials and lay tiles on walls and floors, both interior and exterior. They may also add decorative touches to their basic work.

Occupational titles may include:

- Tiler
- Wall and Floor tiler.

State and territory jurisdictions may have different licensing, legislative, regulatory or certification requirements. Relevant state and territory regulatory authorities should be consulted to confirm those requirements

This qualification is suitable for an Australian apprenticeship pathway.

Completion of the general construction induction training program, specified in the Safe Work Australia model Code of Practice.

COURSE ENTRY REQUIREMENTS:

There is no pre-requisites or specific entry requirement for this qualification. This course is available to all international students and Northwest Pty Ltd. requires that students are able to provide evidence that they:

- Have demonstrated an IELTS level at score of least 5.5 or equivalent (test results must be no more than 2 years old) or demonstration of successful completion of at least General English at Upper Intermediate or English for Academic Purposes Upper Intermediate level.
- Have a suitable level of language, literacy and numeracy to complete course requirements with or without additional support that Northwest Pty Ltd. is able to provide.
- Must be a proficient user of advanced calculators.
- Have successfully completed Australian year 10 or equivalent or must be of matured age with adequate LLN skills.
- Are at least at age of 18 on the date of course commencement.

Please Note: *It is highly recommended that student must have successfully completed 'CPCCWHS1001 Prepare to work safely in the construction industry', prior commencing this course.*

All the students commencing this course are required to complete LLN test on the orientation day to assist Northwest Pty Ltd. to identify student's needs for additional support during their study with Northwest Pty Ltd.

DELIVERY AND ASSESSMENT STRATEGY

ADDITIONAL ENTRY REQUIREMENTS:

- Student must have access to working PC or laptop with a configuration suitable to meet study requirements. Please seek your trainer/assessor assistance in this regard.
- A basic level of comfort with digital tools and the internet is required for accessing educational content and completing coursework.
- Students are required to attend the scheduled theoretical classes, which are an integral part of the curriculum, designed to provide a comprehensive understanding of the subject matter.
- Practicals for students must complete their practicals in Northwest Pty Ltd warehouse facilities or as advised otherwise. Where students are required to come to campus or warehouse, and use the available facilities and resources, they should be advised of the date and time of the delivery and assessment, where they are required to visit the campus and/or warehouse and complete their assessment requirements

ORIENTATION:

- Starting your educational journey on the right foot is key. Orientation will be conducted on the campus to welcome new students into our vibrant community. Prior to your start date, the Admissions department will reach out with an email and phone call to provide you with all the necessary details and instructions to navigate the beginning of your academic adventure. For any inquiries or clarifications, reach out to us at [+61449955272](tel:+61449955272) or applynow@nortwest.edu.au. Our student administration is always on hand to offer additional support whenever required.

CLASSES:

- Classes are scheduled to be held in a designated classroom, ensuring face-to-face interaction, and will take place on the campus grounds to facilitate a direct and engaging learning experience.

ASSESSMENT:

- Assessment will be conducted on college premises under the expert guidance of our assessors and trainers. The college will provide all required materials for these assessments, which are an essential requirement for students to advance in their educational programs.

SUPPORT:

- Northwest College is dedicated to providing ongoing support to all students. Our academic staff, including trainers and assessors, are readily available to offer assistance and ensure students have the necessary resources to succeed in their academic endeavours.

PATHWAYS

Once students have successfully completed CPC31320 Certificate III in Wall and Floor Tiling, they can apply for various roles across management positions that have supervisory performance accountabilities.

The further study pathways available to students who undertake this qualification include:

- *CPC40120 Certificate IV in Building and Construction (Building),*
- *CPC50220 Diploma of Building and Construction (Building), or*
- *Range of Certificate IV or Diploma level qualifications with the CPC Training Package.*

COURSE STRUCTURE:

A total of 20 Units (17 Core and 3 electives) must be completed and deemed competent to achieve the qualification CPC31320 Certificate III in Wall and Floor Tiling. Participants who achieve competency in any unit/s will receive a Statement of Attainment (provided USI is verified) for that unit/s without completing all 20 units in the qualification. Students completing all the required units of competency will attain full qualification.

CODE	TITLE	CORE/ELECTIVE
CPCCCM2006	Apply basic levelling procedures	Core
CPCCOM1012	Work effectively and sustainably in the construction industry	Core
CPCCOM1013	Plan and organise work	Core
